Welcome to Ambiente!

We are delighted that you have come to visit this important platform for the growing market segments of contract business and Horeca. You can look forward to a wealth of ideas, products and, most of all, new international contacts.

Awaiting you are around 270 specialist exhibitors from 30 countries who meet the most demanding standards. They offer first-class quality not only for large-volume orders but also for custom solutions. Ambiente is a prominent platform for the most sophisticated contracts, such as outfitting projects for the hotel, restaurant and tourism industries. Here you'll find partners who will help you overcome every challenge.

Due to the positive feedback received following its very successful inception in 2014, we are issuing a new edition of the Contract Guide this year. It gives details of all contract business and Horeca suppliers represented at the fair. This means you have a complete overview of this sector, as well as lots of practical information.

As you can see, we've again made sure that everything is ready for your successful visit to the fair in 2015.
